

SALON
PROFESSIONAL
HAIR CARE

bhove

Our promise is beauty with confidence. Our passion is to deliver products that exceed expectations. Our products are loaded with active ingredients and a patented fully bioactive keratin technology that with continual use, will help reduce and restore damaged hair from the inside out. Whether our products are used in-salon as signature therapies or as a customer home-care range, bhav boosts hair strength and condition, creates shine and sleek smoothness.

AND IT TICKS ALL THE BOXES:

Iconic Australian brand that delivers dynamic results

Not tested on animals

Free from parabens, sulfates and sodium chloride

Certified organic ingredients

Active patented keratin technology

Innovative salon exclusive professional products

And most of all - our products actually do what they promise!!!!

SMOOTHE TALKERS

smoother+ keratin therapy

300ml / 1000ml / shot box

A professional in-salon smoothing treatment formulated to help manage frizzy, unruly hair and lasts up to five months without causing damage. When heat-activated, this treatment will smooth and soften curls/waves while reducing styling time significantly.

USE ME...

- For professional salon use only
- All hair types
- Coarse/resistant hair
- Clients that require a smoother, frizz free result

THE GOOD STUFF

- Sedates frizz
- Rejuvenates and protects hair
- Smoothes and enhances shine
- Drastically reduces styling time and maintenance
- Improves overall condition and appearance
- Repairs damage
- Protects against harmful elements i.e. sun, daily styling and ironing, chemical treatments, etc

WHY ME?

- Formaldehyde is NOT an ingredient in this product

ADVANCED KERATIN SMOOTHING THERAPY

smoothe XT

300ml / 750ml / shot box

The simple solution to tame unruly hair, reduce volume and eliminate frizz for super shiny, smooth, lasting results.

USE ME

- All hair types
- Coarse/resistant hair
- Clients that require a smoother, frizz free result

THE GOOD STUFF

- Sedates frizz
- Rejuvenates and protects hair
- Smooths and enhances shine
- Drastically reduces styling time and maintenance
- Improves overall condition and appearance
- Hair can be tied up on the same day
- Protects against harmful elements i.e. sun, daily styling and ironing, chemical treatments etc.
- No pre-wash required
- Same day wash out
- Colour the same day

WHY ME

- Quick and easy application
- Advanced formula
- Formaldehyde is NOT an ingredient in this product

professional repair collection

PREVENTION + CURE ALL IN ONE BOTTLE

Packed with 100% natural bio-active keratin & natural ingredients.

rescue therapy

500ml

Reversal of damage can now be successfully achieved with rescue by bhavé. An in-salon therapy that boasts revolutionary keratin technology that can bind and penetrate the most severely damaged hair, rebuilding the internal structure and restoring strength, elasticity and shine previously thought to be unrecoverable. Add bhavé™ rescue therapy to all colour services to help reduce damage/breakage leaving hair with a healthier, beautiful overall shine with even tones.

USE ME...

- Cure severely damaged hair
- Prevent damage
- Use as often as desired
- Restore strength, condition, elasticity & shine

THE GOOD STUFF

- Long lasting repair
- Rescues severely damaged hair
- Renews body, shine and condition
- Protects from further damage
- Less breakage
- Improvement in shine
- Boost in colour symmetry
- More natural looking colour

WHAT'S INSIDE?

- **Fully bioactive keratin** - naturally derived keratin proteins that bind to severely damaged hair, rebuilding the internal structure, restoring strength, elasticity and shine
- Provides a 'protein shield' to protect hair from environmental damage. Respects the complexity of natural proteins and works to replicate them in form and function

hair care collection

THE COMPLETE PORTFOLIO

DAMAGE CONTROL

rescue intense repair shampoo

300ml / 1000ml

A luxurious shampoo formulated to nourish, strengthen & repair. Rescue shampoo rebuilds, rehabilitates and repairs dry, brittle and damaged hair by gently nourishing and weightlessly moisturising. Infused with fully bioactive keratin and created specifically to complement and maintain the levels of keratin deposited during the in-salon bhave rescue intense repair therapy.

USE ME...

- All severely damaged hair types – from chemical treatments, heat appliances & environmental aggressors

THE GOOD STUFF

- Restores strength, condition & elasticity to severely damaged hair
- Gently cleanses & nourishes
- Leaves hair feeling silky soft, super shiny and ultra-manageable
- Provides a protective shield to guard against damage
- Doesn't weigh down fine hair
- Moisturises coarse, thick hair

WHAT'S INSIDE?

- **Fully bioactive keratin** - naturally derived keratin proteins that bind to severely damaged hair, rebuilding the internal structure, restoring strength, elasticity and shine.

NONE OF THAT

- Parabens, sulphates, sodium chloride

DAMAGE CONTROL

rescue intense repair conditioner

300ml / 1000ml

Weightless moisture developed to rebuild and repair dry, brittle and damaged hair. Rescue intense repair conditioner is a luxurious formulation that harnesses the power of our patented bioactive keratin to restore hairs inner strength and maintain levels of keratin deposited during the in-salon bhave rescue therapy.

USE ME...

- All severely damaged hair – e.g. bleach damage, heat damage, environmental damage, etc

THE GOOD STUFF

- Boosts hairs moisture levels without weighing it down, making it suitable for thick and fine hair alike
- Helps restore strength, condition and elasticity for more manageable hair that will hold its style
- Provides a protective shield to guard against damage

WHAT'S INSIDE?

- **Fully bioactive keratin** - naturally derived keratin proteins that bind to severely damaged hair, rebuilding the internal structure, restoring strength, elasticity and shine.
- **Argan oil** - high in vitamin e, essential fatty acids and anti-oxidants, it is highly moisturising and nourishing on the hair

NONE OF THAT

- Parabens, sulphates, sodium chloride

MOTHER NURTURE

nourish shampoo

300ml / 1000ml

Infuse new life into your hair and discover a multi-faceted nourishing shampoo that delivers on promise. Gently cleanses while restoring moisture and strength to tired, dry hair leaving it feeling renewed, silky soft, incredibly shiny and ultra-manageable.

USE ME

- All hair types

THE GOOD STUFF

- Provides nourishment and moisture for dry hair
- Restores strength, condition and elasticity
- Gently cleanses
- Provides a protective shield to guard against damage
- Doesn't weigh down fine hair
- Moisturises coarse, thick hair
- Instant moisture & hydration

WHAT'S INSIDE

- Fully **bioactive keratin** – naturally derived keratin proteins that bind to severely damaged hair, rebuilding the internal structure, restoring strength, elasticity and shine

NONE OF THAT

- Parabens, sulphates, sodium chloride

MOTHER NURTURE

nourish conditioner

300ml / 1000ml

A luxurious conditioner enriched with a weightless combination of quality active ingredients that transform dry, tired hair in need of extra moisture and nourishment into luxuriously soft, shiny, luscious locks.

USE ME

- All hair types

THE GOOD STUFF

- Provides nourishment and boosts moisture levels without weighing hair down making it suitable for thick, coarse and fine hair alike
- Helps restore strength, condition and elasticity for more manageable hair that will hold its style
- Provides a protective shield to guard against damage
- Instant moisture & hydration

WHAT'S INSIDE

- Fully **bioactive keratin** – naturally derived keratin proteins that bind to severely damaged hair, rebuilding the internal structure, restoring strength, elasticity and shine
- **Argan oil** – high in vitamin e, essential fatty acids and antioxidants, it is highly moisturising and nourishing
- **Grape seed oil** – helps promote hair regrowth and protects colour from UV rays
- **Rosehip oil** – high levels of vitamin c help restore lustre and strength back to hair

NONE OF THAT

- Parabens, sulphates, sodium chloride

BODY GUARD

magnify volume shampoo

300ml / 1000ml

A volume boosting formula that gently cleanses while injecting vitality and volume into all hair types. Magnify volumising shampoo is enriched with bio-active keratin and macadamia oils yet remains lightweight and is suitable for normal, fine, limp or oily hair and scalp.

USE ME...

- Fine and limp hair
- Hair requiring more volume

THE GOOD STUFF

- Volume boosting shampoo
- Lightweight
- Leaves hair feeling silky soft and full of volume

WHAT'S INSIDE

- **Fully bioactive keratin** - naturally derived keratin proteins that bind to severely damaged hair, rebuilding the internal structure, restoring strength, elasticity and shine
- **Evening primrose oil** - high in essential fatty acids which helps strengthen and nourish hair. Softens and moisturises the hair
- **Vitamin e** - this antioxidant-rich oil strengthens and nourishes hair while adding shine to the hair
- **Pro vitamin b5** - gently heals scalp while moisturising the hair
- **Certified organic aloe vera** - soothes & balances scalp and hair. Delivers gentle natural hydration, whilst restoring pH levels

NONE OF THAT

- Parabens, sulphates, sodium chloride

BODY GUARD

magnify volumising conditioner

300ml / 1000ml

A lightweight, body building conditioner that adds vitality and bounce to all hair types. Magnify volumising conditioner is enriched with bio-active keratin and certified argan oil and is suitable for normal, fine, limp or oily hair and scalp.

USE ME...

- Fine and limp hair

NONE OF THAT

- Parabens, sulphates, sodium chloride

SMOOTH OPERATOR

leave-in-crème

145ml

Soften, nourish and control unmanageable hair with our lush crème formulation. Enriched with bio-active keratin and macadamia oil, bhave leave-in crème is suitable for all hair types and recommended before blow-drying.

USE ME...

- Anyone who requires extra conditioning

THE GOOD STUFF

- Protects against hair breakage
- Restores elasticity & shine
- Promotes cell growth
- Thermal protective properties

WHAT'S INSIDE?

- **Fully bioactive keratin** - naturally derived keratin proteins that bind to severely damaged hair, rebuilding the internal structure, restoring strength, elasticity and shine
- **Slow releasing ceretonia peptide/amino acid.** Peptides attach to the hair cuticle after washing and bond with chemically treated hair to repair some of the damage. They bond more wherever damage is greater for optimal conditioning at all times – the greater the damage, the greater the binding – without build-up
- **Certified organic argan oil** - high in vitamin e, essential fatty acids and anti-oxidants, highly moisturising & nourishing
- **Macadamia oil** - helps prevent against hair breakage while improving hair strength and elasticity
- **Vitamin e** - this antioxidant-rich oil strengthens and nourishes hair while adding shine to the hair
- **Jojoba oil** - moisturises the scalp, helps develop new hair cell growth and conditions hair – preventing it from becoming brittle and dull. Helps restore elasticity & smoothness
- **Sunflower seed oil** - stimulates hair growth, improves scalp health, helps eliminate frizz while providing softness and shine due to its high levels of omega-6 fatty acids

NONE OF THAT

- Parabens, sulphates, sodium chloride

REPAIR AND PROTECT

fresh ends

50ml

Smooths, repairs, seals and controls misbehaving split ends with slow releasing ceratonia peptides, keratin and certified organic argan oil. Helps control flyaways without weighing down the hair. Suitable for distressed and damaged ends. Used after blow-drying or styling.

USE ME...

- Damaged / over distressed split ends

THE GOOD STUFF

- Smooths and repairs split ends
- Improve strength and elasticity
- Leaves hair soft & silky

WHAT'S INSIDE?

- **Fully bioactive keratin** - naturally derived keratin proteins that bind to severely damaged hair, rebuilding the internal structure, restoring strength, elasticity and shine
- **Slow releasing ceratonia peptide/amino acid** which attach to the hair cuticle after washing and bond with chemically treated hair to repair some of the damage. They bond more wherever damage is greater for optimal conditioning at all times – the greater the damage, the greater the binding without build-up
- **Macadamia oil** - helps prevent against hair breakage while improving hair strength and elasticity
- **Certified organic argan oil** - high in vitamin e, essential fatty acids & anti-oxidants - highly moisturising & nourishing
- **Certified organic aloe vera** - soothes & balances delivers gentle natural hydration, whilst restoring pH levels

NONE OF THAT

- Parabens, sulphates, sodium chloride
